Thursday, February 22, 2018

BSS 204, 4:00 pm

Join us for some mathematical games and puzzles.

At Part 1 a few weeks ago, we had time for only one game: the Estimation (team estimation contest). This time, instead of everyone playing one big game together, we'll have several smaller activities, including:

- The game of Set (from which we get the image below)
- The Game
- A few decks of playing cards and suggestions about how to use them
- Logic puzzles and other things to let you flex your brain.

For more info, go to <http://www.humboldt.edu/math/news-and-events/math-colloquium>

We cordially invite you to the Pre-Colloquium Tea on the third floor of the BSS building at 3:30 pm on Thursday.
